Updated April 22, 2025

Leonard B. Bacharier, MD, is a Professor of Pediatrics and Section Chief for Pediatric Allergy and Immunology at Vanderbilt University Medical Center in Nashville, Tennessee. He is also Scientific Director of the university's Center for Clinical and Translational Research, and Director of the Center for Pediatric Asthma Research. Dr. Bacharier focuses on clinical research to help understand and improve the care of children with asthma. His clinical/translational research efforts are directed at the pathogenesis of asthma in early life and approaches to asthma management throughout childhood, including multi-center federally funded clinical trials in asthma. He earned his medical degree from Washington University School of Medicine in St. Louis, Missouri. He completed his pediatrics internship and residency at St. Louis Children's Hospital, and an allergy / immunology fellowship at Boston Children's Hospital. *Conference Sponsor: Regeneron*

Stella Cohen (Ahdoot) MD, is a Pulmonologist in Tarzana, California and is affiliated with Providence Cedars-Sinai Tarzana Medical Center. Dr. Cohen has expertise in treating asthma, sleep apnea, bronchitis, lung metastases and other lung conditions. She is board-certified in internal medicine, critical care and pulmonary disease. Dr. Cohen earned her medical degree from Technion-Israel Institute of Technology, Faculty of Medicine, in Haifa, Israel. She completed her internal medicine residency at the University of California (UC) San Diego. She completed residencies and fellowships in pulmonary disease and critical care UC Davis Health. She completed a pulmonary fellowship at UC Davis. Dr. Cohen believes her travels have expanded her approach to patient care and her compassion for cultural diversity. *Conference Sponsor: GSK*

Susan S. Laubach, MD, FAAAAI, is a Physician in the Allergy/Immunology Division at Rady Children's Hospital-San Diego and an Assistant Clinical Professor in the Department of Pediatrics at the University of California (UC) San Diego. Originally from Stockton, California, Dr. Laubach earned a bachelor's degree in human biology from Stanford University, and her medical degree from UC San Francisco, School of Medicine. She trained in pediatrics at Mount Sinai Medical Center in New York, where she founded a palliative care service for children with life-threatening illnesses. She completed a fellowship in allergy and immunology at Duke University, Durham, North Carolina. Following her fellowship, she worked in the Department of Allergy/Immunology at Walter Reed Army Medical Center in Washington, DC. In 2011, she joined the Allergy & Asthma Medical Group and Research Center in San Diego, which became affiliated with UC San Diego and Rady Children's in 2014. She is an active member of the American Academy of Allergy,

Asthma and Immunology; the American Academy of Pediatrics and the American Medical Association. Conference *Sponsor: Genentech*
